RE: Public Records Request to Louisiana State Police (LSP) for the following:

- Copies of any emails, letters, memos or other records of consultations regarding public records requests (FOI/FOIL/FOIA etc.) with either the Department of Justice, including the Federal Bureau of Investigation and Drug Enforcement Agency components.

OLA File No. 064880

Dear Ms. Best:

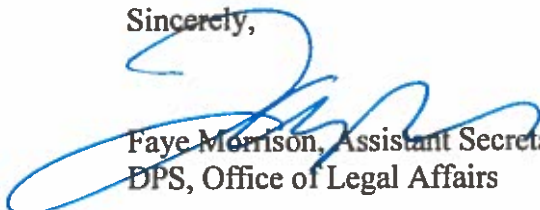

LSP is in receipt of your public records request for the above-referenced information. Please be advised that, as a law enforcement agency and state agency, LSP maintains an enormous amount of records regarding public records requests. Additionally, we have an enormous amount of communications with other law enforcement agencies, including F.B.I., D.E.A., and D.O.J. The search for responsive records is overly broad and overly burdensome.

Review of any responsive documents for protected information, which our records regularly contain, would prevent this office from conducting its regular business. Your request is denied as overly broad and overly burdensome.

If you have any questions, please do not hesitate to contact me at (225) 925-6103, or via email at faye.morrison@la.gov.

With kindest professional regards, I am,

Sincerely,

Faye Morrison, Assistant Secretary
DPS, Office of Legal Affairs
